Payment and registration are due to the FSIN & ***Saskatchewan Archery Association*** no later than **July 7, 2017**.

9.0 Competition

- All athletes will shoot 2 rounds of 20 3D targets at varying distances (1-30 yards).
- All athletes must use the Traditional Bow or Re-curve Bow unsighted.
- The event will be double scored.
- Equipment shall be checked before the match and shall not be altered during competition.
- Each target is numbered at the shooting position. The archer must touch the stake when shooting.
- Practice on the course is not permitted. Practice butts will be supplied by the Host Committee on site.
- A shooting group of archers (4-5) is determined by the host committee.
- Equipment failures must be visible and agreed upon by the majority of the group. Upon agreement, the shooter must have his/her scorecards initialed by the entire group as an equipment failure. The scorecards of the shooter with the equipment failure will be totaled and initialed by the score keepers before leaving the range. At that time, the shooter (with the failure) only must proceed forward through the course to the range tent and notify a Range Official.

- If there are three or more shooters remaining in the group they may continue shooting. If two or less shooters remain, they must join the following group (unless by joining the following group it will make a group of 6 or more) or step aside and await a range Official before continuing.
- The Range Official will hold the individual's scorecards until the repair is completed and he/she is escorted back onto the range. The Range Official will determine the amount of time necessary to make the needed repair. The time element will not be abused. A Range Official must escort all persons re-entering the range to the designated target.
- After each end, the competitors walk to the target (which they share). An arrow earns the score of the zone it lands in. They are as follows: 1) Eleven X (11 X) for the smallest ring, Eleven (11) points for the inner ring, eight (8) points for the outer ring, five (5) points for a body hit and zero (0) points for a hit in the hoof or horn, not touching body color, any other miss or glance off. 2) In case of a disagreement on the placement of the arrow, the Range Officer settles the dispute. The protest is brought forward by the coach or manager of the team.
- If the arrow is pulled before the tabulation, the person who pulls the arrow receives a zero for that target. The score cards have to be legible, completed in black or blue ink and signed by the scorer and the archer. If the tabulated scores do not match, the lesser value will be recorded as the official points.
- If an arrow lands in the dividing line it earns the higher value. A deflected arrow is scored where it lands. Witnessed pass-through arrows are to be scored as agreed on by the majority of the group or a re-shot before shooters advance to the target. An arrow embedded in another arrow scores the same as the first. A re-shot is not warranted.
- When two archers or more have identical total scores, the process of tie breaking is as follows: a shoot off will be held using a 3D animal target set as an unknown yardage, with an X placed in the center of the highest scoring area. The arrow closest to the center of the X will determine the winner. If only one shooter is present at the shoot off, he or she will be declared the winner.
- Shooting stakes shall be designated at the site.
- Field glasses (binoculars), telescopes and other optical aids may be used for spotting arrows provided they do not represent any obstacle to other athletes at the shooting peg.
- Prescription spectacles, shooting spectacles, and sunglasses may be used. None of these may be fitted with micro hole in lenses, or similar devices, nor may they be marked in any way that can assist in aiming.
- The spectacle glass of the non-sighting eye may be fully covered or taped, or an eye patch may be used.

RULE VIOLATION:

- Any person in violation with FCA rules will be disqualified from the event.
- Any shooter, who disobeys shoot officials orders, will be disqualified from the event.
- Littering or improper disposal of trash will be considered as un-sportsmanlike conduct and could result in disqualification.
- If an individual is late they may start only where their group is at and will not have an opportunity to shoot the targets already missed.

10.0 Scoring

- The event will be doubled scored.
- After each end, the competitors walk to the target (which they share). An arrow earns the score of the zone it lands in. They are as follows: 1) Eleven X (11 X) for the smallest ring, Eleven (11) points for the inner ring, eight (8) points for the outer ring, five (5) points for a body hit and zero (0) points for a hit in the hoof or horn, not touching body color, any other miss or glance off. 2) In case of a disagreement on the placement of the arrow, the range officer settles the dispute. The protest is brought forward by the coach or manager of the team.

11.0 Protest Procedure

11.1 Sport Protests

The Archery Canada Rule Book will apply for protests. Protests must be made to the head referee and he or she can consult with umpires, FSIN, and the tournament chairperson to make a decision. Protests are allowed on rules application only, which will follow the rules of Archery Canada.

A Sport Jury will consist of head official, FSIN, and a Saskatchewan Archery Association representative.

11.2 Eligibility Protests

The FSIN Sport, Culture, Youth and Recreation Board will act as the Jury for all protests dealing with the eligibility of Athletes.

All protests must be communicated to the FSIN Games Coordinator no later than 15 minutes after the end of the competition.

Protests must be signed by the Team Sport Contact/ Chef-de-Mission or his/her mission staff designate of the participating team. This designate must be submitted in writing.

All protests will be accepted with no explanation from the Board. All protests must be dealt with within 15 minutes of the game or competition ending or game stands as posted.

A fee of \$500.00 will be in place for all protests. This fee will be given directly to the FSIN Games Coordinator. Cash will be the only accepted form of payment. This fee will be put toward the Youth Championships if the protest is lost. Protest fee will be returned if the protest is won by the Team protesting.

12.0 Equipment/ Competitive Uniform

12.1 Equipment

- Bows and arrows will be the responsibility of the athlete.
- Targets and storage bin will be the responsibility of the host committee.
- All equipment will be stored daily by the host committee, no exceptions.
- Matching team uniforms must be worn at all times.

- A recurve or long bow with no sighting device.
- A rest and plunger are all that may reside within the site window.
- There will be no markings on the bow or on the bow string that could be considered as site marks.
- There will not be any type of draw check on the bow or the string.
- Bow must be shot with glove, finger tab or bare fingers.
- While shooting, the archer shall touch the arrow with the index finger against the nock, and use a single anchor point.
- The arrow shall be of the same material and of uniform length and weight.
- A single stabilizer may be used that is no longer than 12 inches from the point of attachment.
Stabilizer: any device used for the stabilizer of the bow.
